

Defensive Tip to Control Your Energy Bill

Defend yourself against rising electricity costs with Commerce Energy's All-In Rate service plans. Get secure, reliable, fixed-rate electricity for your home or business.

- ✓ **Guaranteed All-In Rate:** Our All-In Rates include your electricity and local utility charges and will not change during the term of your contract – Guaranteed!*
- ✓ **Same Energy – Lower Cost:** An unbeatable combination that can save you hundreds of dollars per year.
- ✓ **No Risk:** Receive the same service repairs from your utility, including storm restoration and emergency response. Your utility will continue to read your meter, and you'll receive one comprehensive bill from Commerce Energy.

Chad Hennings made the switch to Commerce Energy.

Customers in Texas and nine other states rely on Commerce Energy for dependable, quality energy service.

Commerce Energy has chosen Happy Hill Farm as its charity of choice.
